IYENGAR YOGA NEW ZEALAND

Iyengar Yoga New Zealand welcomes Abhijata Iyengar to Aotearoa/ New Zealand this summer, February 2026.

To mark this special occasion, we have designed beautiful Convention T-shirts and Tanks which you can order on the next page.

As part of this celebration, IYNZ is also proud to announce the launch of its refreshed website name, **IYENGARYOGA.NZ** and to mark this milestone, we have released the inaugural IYNZ Hoodie with the new website name and a picture of Mr Iyengar in Natarajasana.

These gorgeous pieces represent both a celebration of community and a tribute to the enduring luminosity of B.K.S Iyengar and Geeta Iyengar.

The Sun is chosen as the central symbol, a source of warmth, life and growth; and a presence far beyond light alone.

We look through its rays to our lineage and honour B.K.S. Iyengar and Geeta Iyengar whose wisdom continues to guide us in this spirit, and whose teachings shine on, even beyond their physical presence.

Mr Iyengar said,

**“Awareness must be like the rays of the sun:
extending everywhere, illuminating all.”**

May the Sun continue to guide and support each of us on our own journeys.
