3. Changes to Teacher Training

Briefly discussed how Geeta is changing a few things regarding Teacher Training asking that students have six years' experience before commencing Teacher Training. Teacher Training is to be more apprenticeship style over three years – not particular hours – just time.

Discussed how IYANZ should be encouraging J12s to observe teacher training so they are ready to commence TT soon after passing J13.

Action Points:

- Jo to map out Introductory timetable and schedule after the weekend
- Jo ask Moderators if Cornelia can assess the J11 (post Rosie's resignation) and maybe Suzanne Carson to observe so we can get more people at this level
- Tessa to check with Moderators about the venues for J11 and J12
- Jo to take the assessment applications to Auckland
- Jo to print Louisa's Bhramari letter to take to the All Assessors meeting.
- Susie at ask at the All Assessors if all the assessment questions are to be put on the website.

Suggested next meeting: Tuesday 20 March 1.30
