

Moderators meeting Thursday 27th July at 1.30pm via Skype

Agenda:

- 1) Any response from Joy re letter from A&TT?
We decided that Susie would talk with Joy to try to find out the real reason she stepped down as an assessor. The invitation to observe was never meant as anything else then to help her to catch up with the updated process of assessing as she missed the two last 'All Assessors' meetings.
- 2) JI 1&2 Schedules- to be presented by Moni
The suggested schedules where accepted
- 3) Cornelia- mentorship update and Manuals progress?
Melodie is having this talk with Cornelia while in Jakarta
- 4) Update on conversations with Suzi regarding her trainee's assessment. Her trainee failed.
Melodie had a conversation with Suzi, who did not understand why her trainee failed. It seems she does not understand what is expected of the Candidates sitting an Introductory Assessment. Nothing was decided on how to help Suzi improve her training of teachers.
- 5) Jakarta update? –fourth assessor, assignments and applications and more.
Nothing more has been done as Melodie wants to talk with Geetaji before inviting a third assessor to Jakarta.

Next meeting;

In October some time.
