

## Teacher Development sessions at IYC, Auckland 2021

Senior teacher Monica Haar will run Teacher Development sessions again 2021. The sessions are designed for **Certified teachers only** wanting to upgrade their certification according to the new system Level 2 and 3, or for teachers who simply want to get to know the syllabus of this new system in order to practice and teach the new Asana added to their existing level.

Each session will include both practical and theoretical components. The theme for each session will be different, and run in consecutive order. Therefore, regular attendance is recommended. The sessions will be taking in consideration each individual who enrolls. Because of this, it is important that you **pre-enrol** at least a couple of weeks prior to the date of your attendance. Places are limited.
